Refce. 6073/28.1 Office of the Chief Conservator of Fo

Chepauk, Madras, dated the 22nd Aug. 1

From

A. Wimbush Esq., I.F.S.,

Ag. Chief Conservator of Forests.

To

The Secretary to Government,

Development Department.

Sir,

Subject:- Buildings - construction of a Ranger's rest house at Bardka and a Forest Guard's quarte at Sampaji - South Mangalore division.

In the budget estimate for the current year a pro vision of Rs.6,800 has been made for the construction of an office and residence for the Ranger, Puthur Range, at Sullia in the South Mangalore division. This provision was made on the belief that the head quarters of the range would be moved from Puthur to Sullia and that the Range Office and quarters at Puthur would be handed over to the Revenue Department for use as quarters for the Revenue Divisional Officer, Puthur - vide this office Ref. No. 744 27-2 dated 26-11-1927. As the Government had subsequently vetoed the proposal of the Board of Revenue to provide quarters for the Revenue Divisional Officer, Puthur, the question of the transfer of the forest buildings at Puthu to the Revenue Department was dropped - vide G.O. No. 2639 Revenue dated 17-12-1927.

The Conservator now reports that there is no need to move the head quarters of the Puthur Range from Puthu to Sullia, that the situation of the headquarters can wel be left for examination later with working plan proposals and that there is therefore no need to construct building for the Ranger at Sullia. This suggestion is agreed to.

The Conservator states, however, that a rest house for the Ranger at Bardka and quarters for a Forest Guard

at Sampaji are immediately required and should be constructed in the current year. The estimated cost of these two works is Rs.2,000/-. As there are no funds at present at the disposa of the Chief Conservator to meet this expenditure, it is requested that the amount may be allotted from the provision of [illegible].6, referred to above which is not now required for the purpose f which it was provided, and that the balance of Rs.4,8[illegible]0 may be resumed. The present reference has been made to Government prior to receiving their orders on the general principle raise in paragraph 3 of this office Refce. No. 5001/28-1 dated 12-7-[illegible] with regard to the Chief Conservator's powers of reappropriati as the sum of Rs.2,000 is required quickly so that the orks m be carried out in the dry weather within the budget year.

Please see C.C's letter at pages 1-2 a 4 c/f. The C.C states that there is no need now to p 1 c/f. construct an office and residence for the Ranger at Sullia as it is not now proposed to remove the head quarters of the Ranger from Puttur. A sum of Rs 6800 has, however, been included in the B.E. for the Current f year for the construction of the office and residence for the Ranger at Sullia. It is stated that a rest pp 1-2 c/f. house for the Ranger at Bardka and quarters for a forest Guard at Sanpaja are immediately required and should be constructed during the Current year at a cost of Rs 2000/- for both the buildings. The C.C recommends that p 2 c/f. this amount of Rs 2000 may be allotted from the provision of Rs 6800 referred to above and that the remaining Rs 4,800/- may be resumed.
